

- Designed for Fonderie Olive, "Antique" is a European typographic term for gothic or sans serif.
- A family of six weights, two with italics, plus a condensed and compact design.
- Antique Olive is generally considered a display typeface. Because of its exaggerated x-height and tight letter spacing, only the light weight, in large sizes, is recommended for blocks of copy.

WHAT TO LOOK FOR IN FONTS THAT PAIR WELL WITH ANTIQUE OLIVE

- Because of its distinctive shapes and proportions, Antique Olive can be paired with other sans serif typefaces. It's Humanistic characteristics serve as a counterpoint to geometric sans, like [Futura® Now](#) and [Harmonia™ Sans](#).
- Classic Oldstyle serif typefaces, like [ITC Berkeley Old Style™](#) and [Palatino® Nova](#) – especially the lighter weights – create an inviting typographic contrast with Antique Olive.
- Serif typeface designs with a wide range of weights also pair well with Antique Olive.
